Re: *Committee for a Livable Future* – C00323352

Following are responses to three exam letters dated June 20, 2001, received this week for the above committee:

12-Day Pre-General Report - 10/1-10/18/00

My file copy of the report has a page 1 of 2 and a page 2 of 2 for Schedule A, Line 11a(i). Those two pages add up to the \$13,700.00 figure on the detailed summary page. You have assumed correctly that your report must have a duplicate of Page 1 of 2. I am hereby resubmitting this report as an amendment.

30-Day Post-General Report - 10/19-11/27/00

Oddly enough, it appears you also have an incorrect Page 1 of 1, Line 23, for this report. The two pages of this report that you sent to me different as follows: One page includes a contribution recipient of Matheson for Congress. That is incorrect. The other page includes a contribution recipient of Marshall 2000.org in place of the Matheson record. That is correct. I am hereby resubmitting this report as an amendment.

When both of the above amendments are taken into account, you will see that no candidate received in excess of \$5,000 for the General Election of 2000.

Year-End Report - 11/28-12/31/00

Hoyt Street Properties is a limited liability company and is therefore able to contribute to this committee. To make this clearer in the future, I will add the letters "LLC" to the name of the company.

Please call me at 1-503-295-1851 if you have questions regarding any of the above.

Thank you,

Thank you,
Susan Matthews
